

The Road to No. 9: Our New Warehouse

The journey begins...

December 2018

December 2019

8.5m high

3 Floors

February 2020

September 2020

Extra Office Space for
up to 25 staff

Our new building means...

- A greater stock holding to ensure a sustainable supply to our customers.
- Our staff can distance themselves and work in a Covid secure office.
- Continuity of supply to our customers and our critical support services.
- We can receive and offload containers more efficiently.

October 2020

Approx. 400
pallet spaces

Meet Bendi suited
to narrow aisles

5200 ft² Warehouse

November 2020
