The 3M™ Peltor™ G3000 Forestry Helmet Combination offers effective protection for the head, face and hearing.

The 3M™ Peltor™ G3000 Forestry Helmet Combination includes G3000 Helmet, Face Visor or Faceshield, Earmuffs or defenders. Kits contents vary, see individual kit codes for complete content. All-in-one safety. These kits are a combination head, face, and hearing protection solution that features many of the key pieces you need to stay protected in challenging work environments. It includes an adjustable, cap-style safety hard hat, metal mesh faceshield, ear muff, and visor seal. Enhanced comfort and fit Featuring a four-point ratchet or pinlock suspension system, the hard hats are adjustable to deliver a comfortable, secure fit that helps reduce discomfort and slippage. Ear and face protection 3M™ has safety products that address a variety of job demands. The metal mesh faceshield helps protect the face, while the 3M™ PELTOR™ Earmuff helps reduce exposure to moderate-to-high industrial noises.
